WHY **MAIL-A-BOOK**

Northern Waters is committed to quality library services made available to residents of the eight county service area lacking access to a local public library. Mail-A-Book offers the option to request library materials from your home to be delivered free of charge for residents of Ashland, Bayfield, Burnett, Douglas, Iron, Sawyer, Vilas or Washburn county who do not have access to a local public library due to physical limitations or residents more than 15 miles from the closest library. A Mail-A-Book librarian is available to help you get the library materials you need.

WHAT **SERVICES INCLUDED**

With a Mail-A-Book account, library materials can be requested and renewed by phone, email, or online using the Merlin catalog shared by 30 libraries. Mail-A-Book cards are accepted at any of the public library members of Merlin. Your account will also give you access to quality licensed digital resources available through BadgerLink's discovery databases and OverDrive's downloadable media.

With a Mail-A-Book account you can have up to 10 movies, 8 music CDs, 20 audio books, and 20 holds. Merlin items can be renewed twice if there are no waiting lists. If Merlin doesn't have what you're looking for, we can check other Wisconsin libraries.

HOW **TO RETURN ITEMS**
