

NORTHERN WATERS LIBRARY NETWORK

2020

SHELTER-AT-HOME Showcase

Shelter-At-Home Showcase invites patrons from **all 29 NWLS libraries** to submit photos and videos of their quarantine accomplishments. All will become part of an online gallery so everyone can marvel at our achievements! **Here's your chance to brag about the project you've completed while staying safer at home AND to document history!**

Show off your Shelter-At-Home masterpiece! Maybe you tackled a big organization project, or finally painted your living room, lost weight, or sewed 500 masks. Maybe you mastered a musical instrument, taught yourself how to knit, binged a record number of shows, or figured out how to bake the perfect loaf of sourdough bread!

No accomplishment is too trivial or magnificent!
