

Bookmobile/Bookbike Policy

NWLN

February 2023

Bookmobile and Bookbike collections serve as an outreach tool for patrons who may be underserved by traditional library means.

Bookmobile and Bookbike collections are available to any library patron during Bookmobile and Bookbike events, however, Bookmobile and Bookbike collections are not holdable by any patron or library staff. Attempting to fill holds would place undue burden on owning library staff.

Bookmobile and Bookbike materials will be returned to the Bookbike or Bookmobile or the owning library. These materials should not be placed in delivery. The materials might not be processed to prevent damage which may occur in delivery. Loan rules and item types will be determined with assistance from NWLS system staff.

Approved March 2023
