Increased Purchasing Power

Because your library chooses to be a member of the Northern Waters Library Network, they can afford to give YOU access to more titles. Sharing is so smart!

Your card works at all libraries in the Network

You can use your library card to check out items or use a computer at any of the libraries in the network. You can also access the databases and services of any NWLN library from the privacy and comfort of your own home.

Do you travel for work? You can arrange to have an item picked up at or returned to any of the libraries in the network. Be sure to check out the large variety of audiobooks available in the NWLN shared catalog. Or, try the Libby app for free e-audiobooks.

Keep your card active! Every year we'll ask if your contact info has changed and 3 years of no activity may mean your card is deleted.
